Year 6- Term 1

English
Our text this term is, 'The Last Bear'. Y6 will be completing a range of written outcomes whilst embedding previously taught skills. Y6 will show their knowledge of skills by writing extended outcomes in lessons regularly.

Maths
This term in maths the children will be exploring the concepts of: place value, addition, subtraction, multiplication and division. Y6 will continue having exposure to a wider range of vocabulary and multi-step problems as well as SATS style questions within lesson slides and tasks.

Science
In science, Y6 will be completing a topic of, 'animals including humans'. Within this topic they will have the opportunity to create models of the heart and learn about blood vessels and circulation.

Wellbeing
We are starting our new wellbeing curriculum this term. Topics we will be covering is: Friendship. The children will have supportive discussions around what a supportive and respectful friendship looks like as well.

Geography
Our geography topic this term is, the United States of America. The children will be exploring different landmarks, masses and landscapes. We will be concentrating on their environmental regions, key physical and human characteristics, and major cities of the USA, and study the Rocky Mountain Range and the Colorado river.

Computing
The children will be using Purple Mash in computing lessons. The children will focus on internet safety and their digital footprint in order to create a blog. Y6 will be able to discuss their 'sharing settings' and how it'll be private.

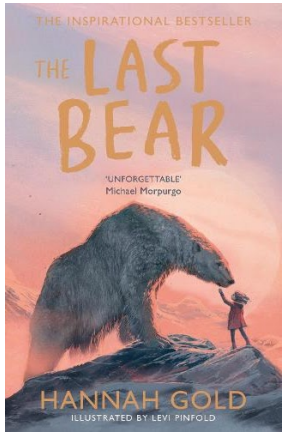

Art
We are looking at the strand, 'Collages and mixed materials'. The artist we are exploring is called, Megan Coyle. Y5 children will have the opportunity to copy Megan's 'painting with paper' technique to create a collage based on their science or geography topic.

Music
In music this term we are covering the strand of, 'We've got rhythm'. The children will be understanding 'pulse' and 'beat'. Y6 will be composing different pieces of music using different pulses and beats.

RE
We are looking at the religion: Humanism. We will learn about the key beliefs held by Humanists and the principles that govern their approach to life, comparing it to other religions. We will also learn about the history of the humanist philosophies.

PE
In PE our focus is OAA this term. We are focusing on skills of: social, emotional and communication alongside the physical skills of, team building games and activities. Y6 will work collaboratively within their classes and their year group to complete physical activities that require communication to reach the success criteria.

Key Texts

Blurb

There are no polar bears left on Bear Island. At least, that's what April's father tells her when his scientific research takes them to this remote Arctic outpost for six months. But one endless summer night, April meets one. He is starving, lonely and a long way from home. Determined to save him, April begins the most important journey of her life... This moving story will win the hearts of children the world over and show them that no one is too young or insignificant to make a difference. The Last Bear is a celebration of the love between a child and an animal, a battle cry for our world and an irresistible adventure with a heart as big as a bear's.
