1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

2. Our school's legal duties under the Equality Act 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all pupils
- Allow all pupils to have long hair, although this is required to be tied back if it is shoulder length or longer
- Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable. Appropriate for school is hair that has not been brightly dyed, block or dip dyed, cut into a mohawk design or been given tram lines.
- Allow pupils to request changes to swimwear for religious reasons
- Allow pupils to wear headscarves and other religious or cultural symbols, where applicable these will need to undergo a risk assessment for specific activities, e.g. swimming
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with the school office on 01273 812463 or office@ringmerprimary.school who can answer questions about the policy and respond to any requests

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics where possible. For example, by only asking that the jumper or cardigan, worn over the polo shirt, features the school logo
- Considering cheaper alternatives to school-branded items, such as logos that can be sewn on, as long as this doesn't compromise quality and durability
- Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveller
- Avoiding different uniform requirements for different year/class/house groups
- Avoiding different uniform requirements for extra-curricular activities
- Making sure that arrangements are in place for parents to acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes

The school recognises that some pupils with Special Educational Needs (SEN) may require adjustments to the standard uniform to ensure their comfort, safety and full participation in school life. Where appropriate, reasonable adaptations can be made to accommodate individual needs. This may include, but is not limited to, alternative fastenings for pupils with mobility or dexterity difficulties, adjustments to fabrics or textures for pupils with sensory sensitivities and modifications to allow for medical aids or equipment. Any adaptations should remain in keeping with the school's uniform colours, with blue tops, black bottoms and black shoes.

Parents and pupils are reminded to contact the Headteacher if they want to request a uniform adjustment.

Ongoing breaches of our uniform policy will be dealt with in accordance with our Behaviour for Learning Policy

In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.

5.4 Governors

The governing board will review this policy and make sure that it:

- Is appropriate for our school's context
- Is implemented fairly across the school

6. Monitoring arrangements

This policy will be reviewed every 2 years by the headteacher. At every review, it will be approved by the full governing board.
